These are boards, commissions, committees, and task forces that deal with a variety of issues and make recommendations to the City Council. Applicants must be City residents and/or City voters for most of the advisory bodies.

**INFORMATION** on advisory bodies and applications are available in the City Clerk's Department, 809 Center Street, Room 9, Santa Cruz, CA 95060, Phone 420-5030. **CURRENT OPENINGS**

In some cases there are vacant positions. In other cases, there are expired terms and advisory body members who may be eligible for reappointment. Reappointments are not automatic; however, an existing committee member has already served a partial or full term and is eligible to be appointed for another term. Most often, such people are reappointed to those seats by Council. Applications are kept on file and serve as a source for future openings during the year, so all interested parties are encouraged to apply at this time.
